

## Declaration of Consent under the Data Protection Law

to the Gesellschaft für Technische Kommunikation – tekomp Deutschland e.V.

I will be participating in a qualification consultation of the Gesellschaft für Technische Kommunikation – tekomp Deutschland e.V. (hereinafter referred to as “tekom”) by the committee for qualification consultation and will provide tekomp with personal data particularly related to my professional qualifications and occupation as part of the consultation. For these purposes, I have filled out a questionnaire with personal data together with my adviser from the committee for qualification.

1. I declare my consent to tekomp collecting and saving my personal data for the purpose of conducting the qualification consultation and approval for the certification examination to achieve the qualification “Technical Communicator (tekom)”, as well as for conducting this evaluation, and using it in anonymized form for statistical analysis. My personal data will be saved and archived by tekomp for at least 5 years. tekomp is entitled to delete my personal data after this period.

I have been advised that successfully completing a qualification consultation is a prerequisite for approval to take the certification examination for “Technical Communicator (tekom)”. The examination committee and the committee for qualification consultation, as well as the certification committee of tekomp, are entitled to access and evaluate my personal data when considering approval for the certification examination and as part of the acceptance and evaluation of the examination. I have been advised that refusing to agree to the collection, processing or use of my personal data for said purpose may lead to rejection of permission for the certification examination “Technical Communicator (tekom)”.

The chairman of the committee for qualification consultation of the Gesellschaft für Technische Kommunikation – tekomp Deutschland e.V., Rotebühlstraße 64, 70178 Stuttgart, Germany, as well as his/her representatives, are responsible for collecting, processing and using my data.

I can withdraw this declaration of consent at any time.
