A	accepted term
	accessibility
	accessible
	accessible documentation
	accessible to people with disabilities
	accessible to persons with disabilities
	admin guide
	admin manual
	administrator guide
	administrator manual
	admitted term
	advertising catalog
	AI
	alignment
	app
	application
	application program
	Artificial Intelligence
	assembly instructions
	audience
	authoring memory
	authoring memory system
	authorized representative
	automated translation
	autonomy of terms
B	barrier-free
	barrier-free documentation
C	candidate term
	CAT tool
	catalog
	CDP
	CE Declaration of Conformity
	CE mark
	CE mark of conformity
	CE marking
	CE-marking
	circuit diagram

	clarity
	CLC
	client
	CMS
	CNL
	commissioning
	commissioning instructions
	communication medium
	competent person
	component content management system
	component oriented modularisation
	comprehensibility
	computer program
	computer-aided translation
	computer-assisted translation
	concept
	concept element
	concept orientation
	concept topic
	concept-based approach
	consumable
	consumable material
	consumer
	consumer product
	content delivery platform
	content delivery portal
	content management system
	context sensitivity
	controlled language
	controlled language checker
	controlled natural language
	customer
	customization
	customizing
D	damage to equipment
	danger zone
	dangerous material
	dangerous substance
	Darwin Information Typing Architecture
	data privacy
	data protection
	data security
	declaration of incorporation
	decommissioning
	decommissioning instructions

	deinstallation instructions
	deprecated term
	descriptive terminology
	descriptive terminology management
	descriptive terminology work
	design documentation
	design specification
	designation
	designator
	development
	diagnosis
	diagram
	directions for use
	disabled person
	disposal
	distributor
	DITA
	document
	document management
	document management system
	down time
	draft

	Easy Language
	EC Declaration of Conformity
	editing system
	effort
	EL
	EU Declaration of Conformity
	European Association for Technical Communication – tekom Europe e.V.
	Extensible Markup Language
	external technical documentation
F	failure mode and effect analysis
	favoured term
	figure
	FMEA
	font
	form of delivery
	form of provision
	fragment
	function
	function test
	functional check
	functional test
	functionality test

	functioning test	
G	gamification	
	genre	
	Gesellschaft für Technische Kommunikation – tekom Deutschland e.V.	
	Gesellschaft für Technische Kommunikation – tekom e.V.	
	graphic	
	guarantee	
	guarantee notice	
	guarantee statement	
H	handicapped person	
	handling instructions	
	harm	
	harm to equipment	
	hazard	
	hazard zone	
	hazardous material	
	hazardous substance	
	human translation	
	hybrid app	
	hybrid application	
	hydraulic diagram	
	hydraulic schematic	
	I	icon
		identification mark
		idle time
